Remember to include insurance in your freight estimate calculations.  
We are approximately 60 miles [96 km] South of Boston Massachusetts, the  
local major airport.

Many air freight carriers will hire a local company to pick up from our  
location and drop at the airport for an additional fee.

Our prices are FOB Sagamore Beach (Bourne). We will assist the driver in  
loading or drop at a local freight company (such as UPS) for no additional  
charge.
